LOVE MAGIC

By Clarisse Paradot

Rituals, spells, amulets, talismans, love potions... Love and sexual magic is one of the oldest magical practices in the world! This accessible and effective work addresses all aspects of this magic to influence mysterious energies and forces to allow people to attract love and passion into their lives, and experience fulfilled sexuality.

Clarisse Paradot comes from a family in which divination between women has been practiced over several generations, and therefore naturally took the path of witchcraft at the age of 22. Passionate about botany, lithotherapy and divination (runes, tarot cards, pendulums), she decided, five years later, to share her passion by creating the modern witch shop.

MAGICAL INCANTATIONS

By Corinne De Leenheer

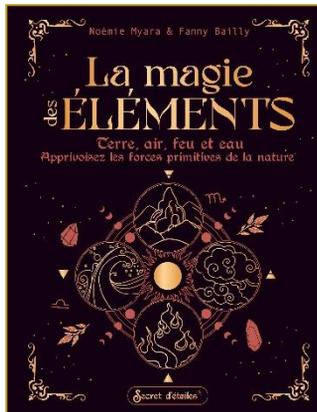

Used to channel the power of the elements, celestial bodies, or spiritual entities, invocations are magical formulas or prayers spoken to call upon a specific force, deity, or energy. The hundred or so invocations presented here are simple formulas to repeat like mantras to invoke magic in everyday life!

Corinne de Leenheer is an entrepreneur, spiritual mentor, speaker and witch trained in herbalism and lithotherapy, and the author and co-author of several books in the field of spirituality and witchcraft. She is more precisely a hedge-rider who has been immersed in spirituality and ancient rituals since her childhood. Having traveled and lived on three continents, she had the chance to be initiated into European and Caribbean spiritual practices, full of richness and wisdom.

THE MAGIC OF THE ELEMENTS

By **Noémie Myara & Fanny Bailly**

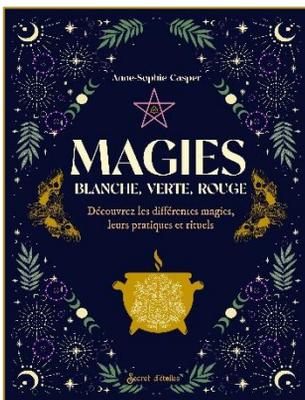

This magic grimoire is essential for witches in order to connect with natural forces and draw the energy of the great elements to fuel their magic! Rituals, divination, astrology, magical meditation, etc., associated with the natural powers of the elements: key knowledge and practices to work with the power of the elements.

Noémie Myara has always been in tune with her magical perceptions and was naturally drawn to witchcraft. The manipulation of magical tools quickly became her daily routine, until she decided to share her knowledge and opened her own esoteric online store offering all the necessary material for the practice of magic.

Fanny Bailly studied the power of plants, stones, the history of witchcraft, occult sciences then practiced divinatory arts and spiritualism, and opened her first esoteric e-commerce in 2020.

THE FORGOTTEN KNOWLEDGE OF THE GRAND ALBERT

By **Clarisse Paradot**

Dating back to the Middle Ages, this compendium brings together knowledge from a time when magic, medicine, astrology, and popular beliefs formed a whole. To this testimony of an ancient vision of the world, where nature was perceived as living, symbolic, and deeply connected to humanity, a modern-day witch provides useful insights and explanations.

Clarisse Paradot comes from a family in which divination between women has been practiced over several generations, and therefore naturally took the path of witchcraft at the age of 22. Passionate about botany, lithotherapy, and divination (runes, tarot, cards, pendulums), she decided, five years later, to share her passion by creating a modern witch shop (www.sorciere-modern.fr).

THE HIDDEN POWER OF LETTERS

Rebecca de Geetere

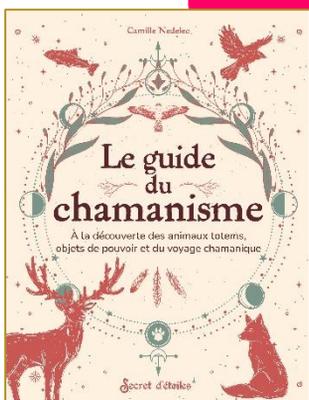

Since the dawn of time immemorial letters have held a central place in mystical systems. True gateways to invisible spirits, they symbolize not only sounds or graphic elements used for writing, but also spiritual and universal forces. Thus, each letter carries within it a story, an emotion, a thought, and a collective energy that can be used to foster personal growth, spirituality, and intuition. This guide allows you to discover the symbolism and energetic vibrations of sacred alphabets, as well as those of Kabbalah, the language of birds, and sigils.

ALCHEMY, THE DAILY MAGIC

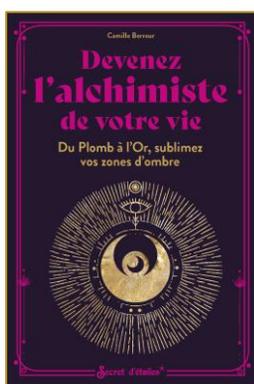

By Pascal Bouchet

An original approach of self-development, based on the principles of alchemy: as base metals can be noble metals, our own personality can be transmuted to become deeper, more authentic. Using all the symbols of alchemy, the author presents an original, personal and spiritual journey for a better knowledge of oneself.

Pascal Bouchet is a lecturer and a trainer. All his activity is focused on teaching the alchemical fundamentals of our ancestors, and their use in daily life, for personal development. For him, alchemy is above all the applicative and concrete science of the metamorphoses of the human soul, the main subject of the work for the alchemists who were looking for the "Universal Medicine".

INVISIBLE PRESENCES

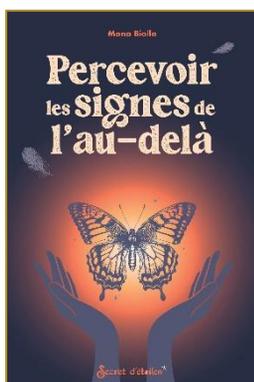

By Caroline Chermeux

Entities, spirits of nature, ghosts, guides, old souls... Those that we commonly call invisible presences are here even if we are not aware of them. What are these entities? What is natural or supernatural? Can we get in touch with them? This book offers all the answers to these questions and many more.

Caroline Chermeux is the granddaughter of a fire cutter and an artist, who has been immersed since childhood in a world of magic and nature. Connected to the mineral, plant and animal world, and initiated into energy care, today she is specialized in self-development and helps, through crystals, medicinal plants and holistic therapy, the healing of the soul, feminine well-being as well as knowledge of one's own journey with the aim of personal evolution and harmony of the heart and mind.

MEMORIES WITHIN OUR WALLS: PLACES IMBUE WITH OUR EMOTIONS

By Jean Renault & Nathalie Andreu Renault

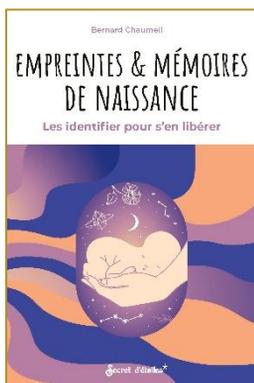

Feeling good or bad vibes while visiting a new place is a common experience that can be hard to explain. But places keep a memory of past events, experiences and emotions. How does it work? Why do some places seem imbued with negative or positive energy? This fascinating book, fueled with practical examples based on the authors' experience, goes to the sources of those memories within our walls, exploring telluric phenomena, electromagnetic fields, souls and entities... and gives basic tips on how to cleanse homes.

Nathalie Andreu Renault is a dream analyst and a geobiologist. She lives and works with Jean, surrounded by animals, in the middle of nature.

Passionate about history and Cartesian, Jean Renault "knows" however that reality is not necessarily what we see. As a geobiologist, he likes to capture in the invisible world the wounds of History as well as those from our daily lives.
